September 6, 2011

## Back to learning!

### Reading: Dear Juno

Skill: Character Traits

**What We're Doing:** This week students will be reading a realistic fiction story. We will be focusing on Character Traits as well as summarizing the story.

**When We're Testing:** Wednesday, Sept 7th

### Writing: Realistic Fiction

Students will continue writing to entertain. They will focus on creating interesting stories about characters and events.

### Grammar: Sentences

In Grammar, we will learn about the differences between commands and exclamations.

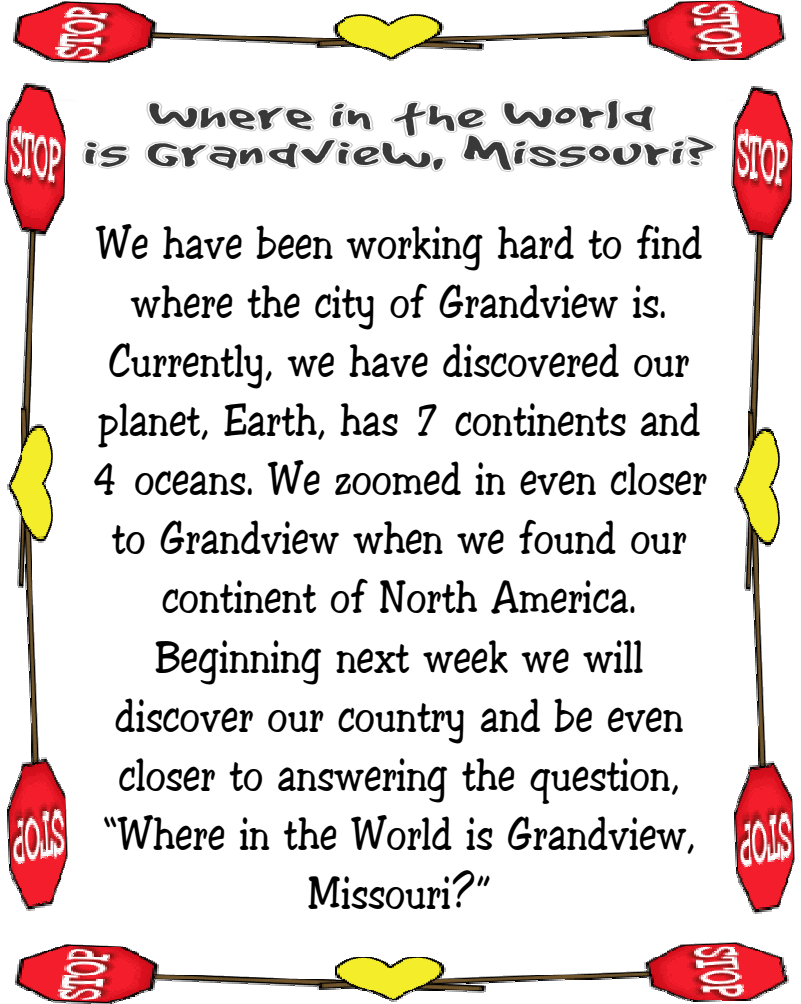

### Math: Place Value

Students have worked on understanding that numbers have a place value. We will continue to work on the value of a digit as well as comparing numbers (less than < greater than > equal to =)

**When We're Testing:** End of September

### Science/Social Studies:

In Social Studies we will be trying to figure out "Where in the World is Grandview?"

## Where in the World is Grandview, Missouri?

We have been working hard to find where the city of Grandview is.

Currently, we have discovered our planet, Earth, has 7 continents and 4 oceans. We zoomed in even closer to Grandview when we found our continent of North America.

Beginning next week we will discover our country and be even closer to answering the question, "Where in the World is Grandview, Missouri?"

## Teacher Notes:

- In an effort for homework to "mirror" school work, I have revised the book report. Please see the attached book reports for the new format. Students did an example in class.

If you have not joined PTA, please do so. The cost is only \$5.

We are taking all soda pop tabs. So please send them in for students to drop into the class bucket.

## Important Dates
